Evidence A - Online Indicator

The screenshot displays the BIGTIME POS v1.0.0 interface. On the left, a dark sidebar contains the logo, version, and a message: "Your store, always on." followed by a description of offline capabilities and a bulleted list of features. The main area is titled "Cashier Login" and includes a status indicator "Network Ready" in a green pill. It prompts the user to enter an employee code and PIN, with a "Login" button below the input fields. The footer indicates the system is "Powered by Herrera Technologies".
