Annex B Submission Tracker (BIR Accreditation)

Prepared on: April 14, 2026

Use this tracker to mark each requirement as submitted and attach the exact evidence file/printout used in your BIR packet.

Existing Annex C sworn statement:

- Status: Provided by taxpayer/applicant
- File location reference: _____
- Notarization date: _____

Submission Status Legend

- ☐ Not yet attached
- ☒ Attached in submission packet
- N/A Not applicable

Master Checklist (Based on Your Provided Requirements Sheet)

#	Requirement	Status	Evidence File / Tag	Notes
1	Company Profile	☐		
2	Proof of online application via Electronic Accreditation and Registration (eAccReg) system	☐		
3	Sworn Statement in accordance with Annex "C" (with SPA/government ID authorization docs if filed by representative)	☐		User confirmed this already exists
4	Sample print-out of Official Receipts (SI) generated by the machine/software (including discounted transactions and related charges where applicable)	☐		
5	Sample print-out of sales adjustment documents generated by the system (Cancel/Void/Return/Refund) reflecting document number of corresponding receipt/invoice	☐		
6	Sample print copy of X-Reading (Cashier's Accountability/End-of-shift) and Z-Reading (End-of-day report)	☐		
7	List of other reports generated by the system with sample print-outs of each (e.g., BIR Sales Summary Report, Senior Citizen Sales, PWD Sales, National Athletes and Coaches Sales, Solo Parent Sales, etc.)	☐		

8	Sample e-journal (soft copy and hard copy) in .txt format (electronic copy of all receipts/invoices from item #5, including Void/Refund/Return if any)	[]		
9	Narrative system description and design/structure of the Sales Machine/Software for accreditation	[]		
10	Printout of screenshots showing software Name and Version on Log-in Screen, Home Screen, and Splash Screen (if applicable)	[]		
11	Screenshot of the Online/Offline indicator (if applicable)	[]		
12	Machine brochure / operating manual (if applicable)	[]		
13	Printed copy of system audit trail/activity log containing Date/Time stamp, User Name/ID, activity performed, and values of data involved	[]		
14	Narrative back-up procedure and Disaster Recovery Plan (DRP)	[]		
15	If previously denied application: photocopy of LTAB/RAB notice letter showing items not complied during past evaluation	[]		

Packaging Guide (Recommended)

1. Place one tab/earmark per item number.
2. Put the exact sample printout behind the matching number.
3. Avoid summary-only pages when an actual printout is required.
4. Keep filenames prefixed with item number (example: 04-sample-official-receipt.pdf).

Filing Note

Data and samples should be based on the actual receipt set used for this submission batch.
